NOTARY PUBLIC

Your appeal should be typewritten and all signatures on the application must be notarized.

Application. Appeals are heard and decided at a regularly-scheduled public hearing by the five-member City of Atlanta Board of Zoning Adjustment (“BZA”). The Office of Planning serves as staff to the BZA. All inquiries regarding your application should be directed to this office at (404) 330-6145. The rules of the BZA prevent BZA members from discussing the merits of any case except during the public hearing for that case.

Schedule. There are two closing dates and two public hearings per month. The schedule allows time for regular monthly NPU meetings to occur throughout the City prior to each public hearing. Appeals are sent to the applicable NPU for information purposes, and your appearance at the NPU is a courtesy. When you file your application, you will be notified of the NPU contact person so that you may contact him or her if you wish to appear at the meeting. The schedule of closing and public hearing dates is attached.

Fee. For appeals of a decision of a City staff person, the application fee is \$250.00, without regard to the zoning district in which the subject property is located. **Deferral Fee.** Applicants/appellants requesting a deferral from a scheduled appearance before the BZA are required to pay a deferral fee which includes the cost incurred for public notice (postage fees, postcards and newspaper advertisement). The Secretary of the BZA will provide the cost which must be paid no less than 3 business days after the deferral request has been granted by the Board.

Public Notice. When you file your application, it will be scheduled for a public hearing. The Office of Planning will initiate posting of public notice (“an advertisement”, “a legal ad”) for this public hearing so that the public is informed at least 15 days before the date of the public hearing by sending written notice of your application to all property owners whose property is within 300 feet of the subject property, by causing public notice to be placed in the newspaper, and by posting a sign on the subject property.

If appealing a decision for your property you will be responsible for obtaining a public notice sign when you file your application with the Office of Planning, and for posting it in a visible location on your property, at least 15 days prior to your public hearing. If appealing a decision as a non-property owner the Office of Planning will post the public notice sign to the property subject property. Failure to properly post the sign will make it necessary for the BZA to defer your case to another public hearing. The BZA may defer the case to a hearing that has been scheduled 30 or more days after the original hearing.

Refunds for Withdrawn Cases. Requests for withdrawal received 18 days prior to the public hearing will enable a refund of the application fee.

Public Hearing Presentation. Each appellant or representative of the appellant must appear and present the case before the BZA at the scheduled public hearing, or request a deferral in writing prior to the public hearing. The party representing the appeal is allowed a total of ten minutes to present the application. A portion of this time may be saved for rebuttal to any objections to the variance. You may choose to bring copies of documents or exhibits such as enlarged plans; this is not required but is purely at your discretion. Any exhibits that are filed with the City at the hearing should be capable of being stored in the 11” x 17” City file, so please do not permanently affix exhibits to a stiff backing.

BZA Decision. The BZA shall sustain (approve) an appeal upon finding that the appealed decision was based on an error in material fact or that the administrative officer (staff person) who made the decision acted in an arbitrary or capricious manner. The BZA may reverse or affirm, wholly or partly, or may modify the appealed decision. To that end, the BZA has all the authority of the staff person whose decision is appealed, and may issue or direct the issuance of a permit, provided that all requirements imposed by the applicable laws are met. The City Council does not make decisions regarding appeals that come before the BZA. The staff of Office of Planning does not make a recommendation to the BZA on appeal applications.
